58 Main events provide an opportunity for area non-profits and other organizations we love to friend-raise and fundraise. We provide the space, including first floor for dancing or art, second floor for performances, and basement restroom stocked with soap and the highest quality toilet paper known to humankind. We also provide trash cans/bags and the accoutrements needed for post-event clean up. And, we help with promoting the event. You provide the music/art/whatevs, labor for set up/tear down/clean up, and the good cause!
